MEMORANDUM FOR: E. H. Knoche
Acting Director of Central Intelligence

FROM : Dr. Sayre Stevens
Deputy Director for Intelligence

SUBJECT : CIA Position on Proposed DCID (No. 9/1) on the Protection
of Human Subjects in Research Undertaken or Sponsored by
the Intelligence Community

NFIB Secretariat has requested comments and/or concurrence of CIA Member, NFIB on the attached Proposed DCID (No. 9/1) on the Protection of Human Subjects in Research Undertaken or Sponsored by the Intelligence Community.

The proposed DCID has been carefully reviewed by the DDO (Tab A), the DDS&T (Tab B), the DDA (Tab C), and by the DDI's Office of Scientific Intelligence (Tab D). With the exception of OSI, all of the other Directorates have recommended MAJOR and--in some cases--conflicting substantive revisions in DCID 9/1 as presently drafted (see tabular attachments).

Because of the important policy implications at stake, and, given the generally insignificant DDI equities involved, you might prefer to have your Special Assistant--Mr. Lew Lapham--develop a single, coordinated Agency position on DCID 9/1 for presentation to NFIB Secretariat. If you would prefer the DDI to undertake such an effort, on the other hand, we will of course handle the job.

We have alerted NFIB Secretariat that the CIA has major problems with the proposed DCID and they, in turn, have reassured us that no action has been taken on 9/1 and that their original deadline of 15 January 1977 is flexible.
